Dear *Step Up, Florida!* Partner:

I want to extend my heartfelt thanks for your much needed guidance and assistance in the creation and implementation of the *Step up, Florida!* Your involvement was paramount to the success of this initiative.

Upon the completion of this outstanding initiative, I find myself excited about the impact your partnership will have on improving the overall well being of citizens throughout the county of Citrus. *Step Up, Florida!* will be the genesis for future programs to increase physical activity throughout Florida, not to mention a national model for promoting physical activity.

Again, this wouldn't have been possible if not for your unconditional participation in this exciting and noteworthy project. I, along with Citrus County Department of Health extend our deepest gratitude for your support and participation. Thank you for helping us to make Citrus County a leader in promoting the health of its citizens. Please let us know if we can ever assist you with any projects.

THANKS FOR EVERYTHING!

Sincerely,
